EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura, CGPA -7.21 — June 2026
Intermediate, Sai Public School, Kashipur — May 2022
High School, Guru Teg Bahadur Educational Academy, Banda(Shahjahanpur) — May 2020

INTERNSHIPS

Coding Blocks — June 2024 – Aug 2024
Frontend with React Intern — *Remote*

A React-focused internship, where I built a responsive restaurant listing and ordering web app with cuisine-based filtering and real-time ordering.

- Implemented dynamic routing, reusable components, and efficient state management to ensure scalability.
- Integrated live APIs to deliver seamless user interaction and real-time data rendering.

PROJECTS

Weather-dashboard | **Github: https://github.com/NehaSingh2505/weather_dashboard** — April 2025

Created a real-time weather dashboard that displays current weather information by utilizing the OpenWeatherMap and GeoDB Cities APIs. This project is built with React and Bootstrap for the user interface, while Express.js serves as the backend.

SocialNet| ***Github: https://github.com/NehaSingh2505/social-net*** — Jan-2025

Built an Twitter like microblogging app using ejs ,node and apache backend with core posting authetication feature.
Tech used:EJS, apache backend,MYSQL

WorldHeart| ***Github: https://github.com/NehaSingh2505/WorldHeart***

Created a heart disease prediction using machine learning that predicts the heart disease using various factor and works by using machine learning algorithm.

TECHNICAL SKILLS

Languages: Java, SQL(PostgreSQL,MySQL), JavaScript, HTML/CSS
Frameworks & Libraries: React
Databases :PostgreSQL,MongoDB
Developer Tools: Git, Canva, VS Code,Github
Methodologies : SDLC,Agile
Soft Skills: Effective Communication, Logical Reasoning, Interpersonal Skills, Team Collaboration
Certifications: Frontend with React – Coding Blocks, Introduction To SQL - Datacamp , Microsoft webD workshop ,Lean Six Sigma White Belt Certification from Educate 360,SQL Basic-HackerRank ,Software Testing-Great Learing ,LetsUpgrade java Zero to hero ,NPTEL discipline Star ,Basic Of DSA - SimpliLearn , MongoDB course-MongoDB ,Software Testing - Great Learning.

ACTIVITIES & INSIGHTS

Contributed to coordination in an Abacus club workshop covering multiple technologies.
Attended Microsoft Web Development workshop and gained insights on innovative technology.

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
